**The index transcriptions were taken from a microfilmed copy of the original document. Many names were misspelled on the original census, but no effort has been made to "modernize" spellings, and an accurate reproduction of the entries has been attempted. If you do not agree with the spelling of your ancestor's name, please do not ask to change it, for to do so would make the transcription inaccurate. If you doubt the information here please go to your local genealogy library and view the original microfilm. Some of the data in the original census has been omitted to reduce the labor of transcription and the file size.**
